

## Requisitos de sistema

### 3DViewStation Desktop

| Minimal system requirements                                                                             |
|---------------------------------------------------------------------------------------------------------|
| Windows 8.1 (x64)                                                                                       |
| Processor with SSE 4 support                                                                            |
| 4 GB RAM                                                                                                |
| 2 GB hard drive space                                                                                   |
| Integrated or dedicated graphic card with DirectX 11 or better. Software-side CPU rendering is possible |
| Virtual machines are only allowed with network licenses (floating).                                     |

### License server

| Minimal system requirements                                                                            |
|--------------------------------------------------------------------------------------------------------|
| Windows 8.1 (x64) / Server 2012 R2 (x64) or better*                                                    |
| 200 MB hard disk space                                                                                 |
| Virtual machine allowed                                                                                |
| *The requirements for the license service are fulfilled with the requirements of the operating system. |
